

Wedding & Party Beer

We offer different ways to serve your beer on your special day depending on the number of guests and how thirsty they may be.

All beer for your occasion is poured to order on the day of delivery or collection. This ensures it is at its best. We recommend BRIGHT beer for your celebration as it is "plug and play" and can be stored and poured without fuss. BRIGHT beer has a shelf life of 3 days.

Sizes to choose

Just a tittle- 5L Minikeg (8.8 pints)

Small- 10L Poly Pin (17.6 pints)

Medium- 20L Poly Pin (35.2 pints) or Steel Pins (36 Pints)

Large- 9G Firkin (72 Pints)

Placing your order and delivery-

You are welcome to order well in advance and one of the team is happy to talk you through all your options. You can place an order by emailing the team on office@langhambrewery.co.uk or calling **01798 860 861**.

Our Taproom 'The Gulp' is based at the brewery and open 6 days a week you are welcome to pop in and taste our beers to decide on what beer is best for you. To help you choose we offer a tasting flight of 4 different beers and the team are on hand to talk you through the tasting notes.

When selecting your beer please bear in mind whether it is one of our core range or a seasonal favourite and speak to the team about availability. The team will check back with you a couple of weeks before your event and confirm the order and any further details.

Please provide a full delivery address with any specific delivery instructions. If your event is in a field or remote location, please send us the W3W <https://what3words.com/> location so we can find you. Please provide a contact name and number for whoever is accepting the delivery, this helps our Drayman should he need to call on route. In

peak times our van may be full so depending on your location we may ask you to come and collect your order.

Personal Touch

Speak to the team about your very own Pump clip. We can design you a badge for your beer to commemorate your day. This makes a great keepsake for your special occasion or works as a favour for your beer loving guests, groomsmen, or bridesmaids. Speak to the team about a quote, prices will vary depending on the design and quantity.

How much to order?

As an example, if you are expecting 100-150 guests we recommend one to two Casks (9 Gallon Firkins), one light and one darker beer. Depending on the beer you choose you are looking at spending between £130-£180 per Cask. Worried you might run out? Not a problem. We offer cases of our bottled beer (12 x 500ml bottles) as back up on SOR as back up. We will only accept the return of full unbroken cases.

Deposits

Should you want to order our **9G Firkins** or **4.5G Steel Pins** we require an £85 deposit. Your deposit will be returned to you when you bring all of our equipment back to us without damage. It is your responsibility to return the equipment within 1 month of delivery or your deposit will not be refunded to you. If you require the casks/Pins collected a collection fee will be charged, the cost of this will depend on the distance of the collection.

We provide the Cask/Pins, Stand, tap and Spiles. All you need is a rubber mallet and a bit of confidence to hammer your tap into the cask. If you have never done this before do not worry, there are plenty of videos on YouTube of how to do so or you can ask one of the Langham team to talk you through it.

Peak summer season

If your order is last minute, we may be able to deliver to you however if our van is fully loaded you may need to collect from the brewery. To avoid disappointment please let us know at least 1 week in advance of your delivery date.
